line 2, delete "806" and insert --896--.

REMARKS

The above amendments are requested to be entered into the application preliminary to examination. The amendments are made so that the drawings and specification correspond to each other more precisely. The need for these amendments was noted during a recent review of a corresponding foreign application.

Receipt of the initial examination on the merits is awaited.

Respectfully submitted,

Sept. 19, 1994
Date
